## Welcome from the President!

Welcome to the 48th Annual Glenmorangie Scottish Highland Games and Gathering! We are very excited about our new layout this year. Our Games Chairman has come up with a new plan that highlights our fabulous athletes, with better viewing. We believe that you will be pleased with it too. Things will be easier to find and not so far to walk. We are deeply saddened to not be able to have our friend Alex Beaton here this year, as he suffered a spinal cord injury in July. He is currently in therapy and doing well. On behalf of the Caledonian Society of Arizona, I want to thank you for coming out to share our Scottish weekend of fun and fellowship; from Athletics, Family Trees, Music and Dance, we offer you a touch of your heritage to enjoy.
