Benefiting the Caledonian Society of Arizona

“We did this itinerary a few years ago and absolutely loved it. Now with the special dinner on a working farm and hidden treasures added it will be even better. So we have decided to do it again with our Arizona friends.” *Don Finch, president of Caledonian Society of Arizona, will be traveling with the group*

This excellent Itinerary will give you a taste of Edinburgh, Glasgow, The Highlands and Isle of Skye. Plus insider experiences including home-cooked dinner at a 15th century farm and Scotch Whisky tasting. Hassle free – Including many meals, transportation, accommodations, travel logistics and the service of a historian Guide/escort who will fill you in on all of the history and lore of sights you will be seeing while making sure your travel is seamless. All of this while traveling with others from Arizona’s Celtic community. Sit back, enjoy the scenery while listening to a local historian with a unique insider’s view. This trip is well suited for children and multi-generations. Take the whole family on a hassle free trip. Solo travelers can take advantage of low single-room supplement while traveling with friends.
